

## **TLBAA Board of Director Vacancies in Division A and C**

As per our association by-laws, Article IV, Section 6, vacancies on the Officers and Board of Directors of the Association shall be filled by the Board of Directors and such person or persons so chosen shall serve for the unexpired term of his predecessor and until a successor is elected and qualified.

The following vacancies are available:

### Division A

At-Large Director

Region 2 Director

Region 4 Director

### Division C

At-Large Director

At-Large Director

Region 13 – Director

Region 14 – Director

Any person who is a Lifetime member or an Active member of the Association and who is actively interested in and/or engaged in the management and handling of Texas Longhorn cattle shall be eligible to the Directorate of the TLBAA.

Since the by-laws do not provide for any special election possibilities, the only candidates that are open for election this fall by the membership will be Division B. The Board of Directors feels strongly that the region and division TLBAA members should nominate their own representatives to fill vacancies in Division A and C rather than simply appointing people to serve the Association in a Director capacity. Therefore, the Executive Committee of the Board of Directors of the TLBAA passed a motion to solicit nominations from TLBAA members residing in Divisions A and C to fill the current Board vacancies. The remaining term of office for Division A vacancies is two years and one year for Division C.

If you are a TLBAA Member, residing in Divisions A and C, and have an interest in serving on the TLBAA Board of Directors, the Board of Directors is soliciting nominations for persons willing to serve their regional membership and the TLBAA. To nominate yourself or any other person to fill a Board vacancy, submit a nomination by signifying the specific vacant Director seat and the name of the candidate by mail to the attention of TLBAA Chairman Dr. Fritz Moeller, P. O. Box 491, Stillwater, OK 74076. Submissions must be mailed by November 27, 2007.

In order to be considered to become a Board of Director, a candidate must be willing to serve, attend meetings, participate and be present at the General Membership Meeting on January 11, 2008. The standing Board of Directors will hold elections for each position vacancy from the nominated candidates that are in attendance at the Board of Directors

Meeting prior to the General Membership Meeting. The candidates elected by ballot will be seated on the Board prior to the election of the 2008 Officers and will be introduced as new Board of Directors at the General Membership Meeting.
