## Fall 2010 Edition

### Your New 2010-2011 TLBT Board of Directors

This year the TLBT Officer camp was held at the Historical YO Ranch in Mountain Home, Texas. With the help of Mr. Glenn Clinard, we learned parliamentary procedures and were able to get a bunch accomplished for this years show season.

First off, our theme for this year is going to be "Stars and Strips and Old Country Nights." With this being our theme we thought that it might be a good idea to honor all the men and women who have served this beautiful country. We are going to try and do interviews on

different people who have served.

Also, we will be using our World Show theme for the whole year, so for every show we will try and have something that is tied in with our theme.

We have also decided to make a Facebook page for the TLBT. It is now up and running for all those on Facebook! There will be a fashion show this year at the Premier

Heifer Sale on January 15, 2010.

We did so much planning for the upcoming year. Please watch the TLBT page in the Trails to stay up to date on what the

## Meet Some Members of the "Herd"

This edition of the horn will feature Garrett Tanner, Ellie Bolen, and Joshua Faske.

### Garrett Tanner

Garrett is from Stephenville, Texas and attends school at Stephenville High school. He is in the 10th grade and his favorite subject is Math.

Garrett first got started showing Longhorns when his family bought a steer from a school auction. They showed him at the Lufkin Show and ended up coming home with 3 more steers. Now those steers are big trophy steers!

His favorite show is the Autobahn shows because a lot of his friends come and he loves to hang out with them.

Garrett's advice to anyone who is interested in showing is that Texas Longhorns are the best cattle to show and the TLBT has more fun than any other cattle association. His favorite animal is his big steer, New Friend.

He plans to go to college at Texas A&M or Texas Tech. Garrett would also like you to know that he loves to play all kinds of sports.

### Ellie Bolen

Ellie is from Queen Creek, Arizona but moved to Lufkin, Texas about two years ago. She attends school at Central ISD and is in the 8th grade. Her favorite subject is Math and she loves to show Texas Longhorns.

Ellie first got started showing Longhorns because she saw some friends showing and thought it might be fun to join in. She has been showing for about eight months now. Her favorite show is the Rockdale Triple Show because she can show her animals three different times at one show.

Her favorite part about showing is being able to spend time with the animals and competing against other kids. Ellie's favorite cow is named Ruby Bandit BCB.

Ellie's advice to anyone who is interested in showing Longhorns is to give it a try, it's a lot of fun!

When she graduates from high school Ellie would like to go to college and study to be a prosecutor.

Ellie would also like you to know she is a Christian.

### Joshua Faske

Joshua is from Somerville, Texas and is in the eleventh grade. He is homeschooled and his favorite subject is History. Joshua's favorite hobbies are fishing, hunting, roping, dancing, and showing cattle.

He has been showing Texas Longhorns for about five years and his favorite part about showing is visiting with friends and competing with his brothers and sisters.

Joshua also loves the rush when winning Grand or Reserve Champion. His favorite show is the Fort Worth Stock Show & Rodeo because you get to really show your animals off and you get to see so many of your friends.

Joshua was first interested in showing when his dad bought a few calves for a Christmas gift for his mom. Ever since then, he's been halter breaking calves and getting them ready for the show ring.

His advice to anyone who wants to show cattle is, "Come on, get out here. Everybody is like one big family because they all help each other out. It's a lot of fun!"

Joshua's favorite cow is Delta Vixen. He plans to go to college and study to be a Wildlife Biologist.

## Honoring Our Troops

### Mr. David Nikodym

I have served 25 years in the Navy and right now I am serving in the NATO which stands for North Atlantic Treaty Organization. I have been a member of the TLBAA for about two and a half years. My family first got started with Longhorns because we went and visited some Longhorn ranches for a day trip. We fell in love with them at first sight.

### Mr. Jimmie Jay Wells

I have served in the United States Army for over 29 years. I've been a TLBAA member for about five and a half years. I first got started with Longhorns when one day nearly five years ago we passed a livestock auction with only Butler Longhorns in Lockhart (the town we had our ranch in), so we went in to check out the animals. I picked out six or seven beautiful cows and a bull. As the auction progressed, I realized I could only get one. So I asked my sister which one she liked most and she told me the bull. So I bought the bull and I got a year membership in the TLBAA that day. After that my family began to love the animals as much as I did, especially my dad when he found out they were cheaper to maintain than Brangus, which he had owned previously.
